Shanbally N.S Newsletter

Welcome Back

Welcome back to everyone in Shanbally N.S. We all hope everyone had a lovely summer. We are now back four weeks. All classes are settling in well with their new teachers and are working hard. We decided to do this newsletter to keep all of the children informed of what is happening in the school and around the country. We have a suggestion folder outside Ruth's office so if you have any new ideas for us to put into our newsletter please let us know. Ideas can include pictures, poems, jokes, songs and anything else you are proud of. There are two riddles on this newsletter. If you think you can solve them both, put your answers, with your name and class on a piece of paper and place it in the folder at Ruth's office to be in with a chance to win a prize in the September draw.

Sciath na Scol

Both Shanbally N.S girls and boys teams have done extremely well so far this year with four wins out of four!! Both teams are now through to the semi-final. All of us in 6th are very hopeful. So fingers crossed the whole school might get a day out to go see one or both teams in the final. Seanbhaile Abú!!!

Movie Review

Inside Out: Riley is a happy hockey loving eleven year old Midwestern girl, but her world turns upside down when she and her parents move to San Francisco. Riley's emotions, led by Joy, try to guide her through this difficult, life-changing event. However the stress of the move brings Sadness to the fore. When Joy and Sadness are accidentally swept into the far reaches of Riley's mind, the only emotions left in headquarters are Anger, Fear and Disgust. So will Joy and Sadness ever make it back to headquarters?

Music

OMG! It's true One Direction are going different directions!!! Following their brand new song, Drag me Down and Zayn Malik leaving, the boys now declare a split up! It's heart breaking for fans all over the world. It's all happening in March 2016. Thankfully they are finishing their tour first though!

However we do have good news.....

So dry your tears! 1D might be gone but here come **HOMETOWN**!!! Hometown are a six piece boyband created by Louis Walsh and the best thing about them is they are all Irish! Over 200,000 boys auditioned to be in the band. Their first single was 'I Belong. It was written by Kodaline.

It's the new 1D!
